

## CURRICULUM VITAE

### **DIANE RAGONE, PHD**

NATIONAL TROPICAL BOTANICAL GARDEN

3530 PAPALINA ROAD

KALAHEO, KAUAI, HAWAII 96741

PHONE: (808) 332-7324 EXT 224, FAX (808) 332-9765, EMAIL: [ragone@ntbg.org](mailto:ragone@ntbg.org)

#### ACADEMIC DEGREES

- 1991 University of Hawaii, Honolulu. Ph.D. in Horticulture.  
1984 University of Hawaii, Honolulu. M.Sc. in Horticulture.  
1977 Virginia Tech, Blacksburg. B.Sc. in Horticulture.

#### PROFESSIONAL POSITIONS

- 1989-Present Director, Breadfruit Institute (2003-Present); Director of Horticulture and Conservation (2002-2003); Director of Science (2001-2002); Acting Director (1997); Chair, Plant Science Department (1995-2000); Program Director, Hawaii Plant Conservation Center (1989-1994); Manager, Kahanu Garden (1993); Editor, *The Bulletin* (1991-1993). National Tropical Botanical Garden.
- 2009 Affiliate Graduate Faculty. University of Hawaii, Botany Department.
- 2006-Present Research Associate. The Chicago Botanic Garden.
- 1999-Present Research Associate. New York Botanical Garden, Institute of Economic Botany.
- 1996-Present Research Affiliate. Bernice P. Bishop Museum, Honolulu, Botany Department.
- 1996-Present Affiliate Professor. University of Hawaii, Department of Tropical Plant and Soil Sciences.
- 1985 Research Associate. University of the South Pacific, Alafua, Samoa.
- 1978-1979 Gardener. Ola Pua Botanical Garden, Kalaheo, Hawaii.
- 1977-1978 Market News Reporter. USDA/ARS Agricultural Marketing Service, Philadelphia and Chicago.

#### FIELD WORK AND RESEARCH EXPERIENCE

- 2009 Society Islands, French Polynesia: ethnobotany of breadfruit (March 2009)
- 1996-2008 Kahanu Garden, Hana, Maui: documentation, description, and morphological, molecular, seasonality, and yield studies of breadfruit germplasm.
- 2005 Chuuk, Kosrae and Pohnpei, Federated States of Micronesia: ethnobotany & inventory breadfruit diversity (Jan-Feb)
- 2004 Society Islands, French Polynesia: ethnobotany and inventory breadfruit diversity (Nov)
- 2002 American Samoa: ethnobotanical studies (Sept)
- 2002 Samoa: inventory breadfruit diversity (Aug)
- 2002 American Samoa: botanical and ethnobotanical inventory (May-June)
- 2002 Samoa: ethnobotanical studies (May)
- 2001 Kosrae and Pohnpei, Federated States of Micronesia: ethnobotany and inventory breadfruit diversity (Aug-Sept)
- 2001 American Samoa: botanical and ethnobotanical inventory (June)
- 2001 American Samoa: botanical and ethnobotanical inventory (April)
- 2000 Samoa and American Samoa: ethnobotany and inventory breadfruit diversity (July)

DIANE RAGONE  
JULY 2009

1999	Kosrae and Pohnpei, Federated States of Micronesia: ethnobotany and botanical inventory (Aug-Sept)
1998	Republic of Palau and Yap, Federated States of Micronesia: floristics and botanical inventory (Feb)
1997	Kosrae and Pohnpei, Federated States of Micronesia: floristics and botanical inventory (Sept)
1996	Kosrae and Pohnpei, Federated States of Micronesia: floristics and botanical inventory (Dec)
1996	Kosrae and Pohnpei, Federated States of Micronesia: ethnobotany and inventory breadfruit diversity (July)
1987	Samoa: inventory breadfruit diversity (Dec)
1987	Republic of Kiribati: inventory breadfruit diversity (Aug)
1987	Republic of the Marshall Islands: inventory breadfruit diversity (Aug)
1987	Chuuk, Kosrae, Pohnpei and Yap, Federated States of Micronesia: inventory breadfruit diversity (July-Aug)
1987	Guam and the Northern Mariana Islands: inventory breadfruit diversity (July)
1987	Republic of Palau: inventory breadfruit diversity (June)
1987	Society & Marquesas Islands, French Polynesia: inventory breadfruit diversity (Apr-May)
1987	Solomon Islands: inventory breadfruit diversity (Feb)
1987	Fiji: inventory breadfruit diversity (Jan)
1985	Cook Islands: inventory breadfruit diversity (Dec)
1985	Tokelau: inventory breadfruit diversity (Nov)
1985	Fiji: inventory breadfruit diversity (Aug)
1985	Samoa: inventory breadfruit diversity (July-Aug, Dec)

GRANTS AND AWARDS

2007-2009	USDA-SARE-New crops for Pacific Island agroforestry (with co-PI C. Elevitch, Permanent Agriculture Resources, Hawaii).	\$80,000
2006	CTA (ACP-EU Technical Centre for Agricultural and Rural Cooperation) (co-organizer with Mary Taylor, Secretariat of the Pacific Community)-First International Symposium on Breadfruit Research and Development, 16-19 April 2007, Nadi, Fiji.	€35,995
2005-2008	Wallace Genetic Foundation-Support of Breadfruit Institute operations.	\$75,000
2005-2006	USDA Sustainable Agriculture Research and Education (SARE)-Pacific Island agroforestry workshops and field visits (with co-PI C. Elevitch, Permanent Agriculture Resources, Hawaii).	\$59,777
2005-2006	USDA-National Plant Germplasm System-Plant Evaluation Grant Evaluation and description of breadfruit germplasm.	\$15,000
2005	C.F. Roe Slade Foundation-Support of Breadfruit Institute operations.	\$10,000
2004-2006	USDA-Foreign Agriculture Service-Developing new technologies to distribute traditional plant genetic resources in the Pacific.	\$35,000
2003-2004	Tower Foundation-Breadfruit field studies.	\$2,500
2002-2004	USDA TSTAR-Breadfruit: potential new export crop (with co-PIs R.E. Paull and C.G. Cavaletto).	\$20,000
2001-2002	National Park Service-Botanical and ethnobotanical inventory: National Park of American Samoa (with co-PI D.H. Lorence).	\$119,350

DIANE RAGONE  
JULY 2009

2001-2004	USDA/ARS-Breadfruit field studies, Samoa and Tahiti.	\$8,450
2001	Tower Foundation-Evaluate and describe breadfruit germplasm.	\$5,000
1999-2002	Henry and Henrietta Quade Foundation-Breadfruit collection evaluation.	\$25,000
1996-1997	NTBG Fellows-Ethnobotanical fieldwork: Pohnpei & Kosrae.	\$14,000
1994-1996	Center for Plant Conservation-Seed storage of rare native plants.	\$18,000
1995	Fish and Wildlife Foundation-Collect and propagate rare native plants.	\$20,000
1992-1994	John D. and Catherine T. MacArthur Foundation-HPCC Program Support.	\$225,000
1992	U.S. Fish and Wildlife Service-Propagation of rare native plants.	\$10,000
1991	U.S. Fish and Wildlife Service-Recovery Plan for <i>Hibiscadelphus distans</i> .	\$2,700
1987	IPGRI/FAO-Collect Pacific breadfruit germplasm.	\$31,050
1985	NTBG-Collect Pacific breadfruit germplasm.	\$3,000
1984, 1986-88	ARCS Foundation Scholarships.	\$11,000

HONORS

1993-1995	The World Who's Who of Women.
1989	Economic Botany Society Edmund H. Fulling Award for the best oral presentation contributed by a student or young professor at the annual meeting.
1988-1989	East-West Center Ph.D. Fellowship.
1988	Who's Who Among Students in American Colleges and Universities.
1987	Scholar of the Year, College of Tropical Agriculture, University of Hawaii/ARCS.

SERVICE

2003-2007	Treasurer, Society for Economic Botany
2005	Chair, Search Committee, Director of Limahuli Garden
2002-Present	Reviewer: <i>Economic Botany</i> , <i>HortTechnology</i> , <i>Food Quality &amp; Preference</i> , <i>Current Anthropology</i> , <i>Journal of Ethnobiology</i>
2002-2004	Science Fair Judge, Kapa'a High School
2002-2003	Council Member, Society for Economic Botany
2000-2004	Reviewer, USDA Small Business Innovative Research Grants
2000	Chair, Search Committee, Director of Kahanu Garden
1999	Chair, Search Committee, Director of Conservation and McBryde Chair of Tropical Plant Studies
1983-1984	President, Graduate Student Organization, University of Hawaii.

PROFESSIONAL AFFILIATIONS

American Public Garden Association	Pacific Science Association
American Society for Horticultural Science	Sigma Xi
Botanical Society of America	Society for Economic Botany
International Society for Horticultural Science	

TEACHING EXPERIENCE

1998-Present	Lectures on tropical crops, breadfruit, and horticultural topics for NTBG Horticultural Intern Program, Kenan College Biology Professors Course, K-12 Teacher's Training Course, Environmental Journalism Program, Tropical Biodiversity Course (Master's level Uppsala University).
2001-2002	Lectures on breadfruit for Tropical Fruit Production course, University of Hawaii.

DIANE RAGONE  
JULY 2009

- 2000, 2002 Co-team leader for Tropical Ethnobotany Field Expedition, Samoa and American Samoa.
- 1999, 2001, 2003 Lectures and workshops on tropical crops, ethnobotanical field methodology, plant collecting, and germplasm conservation for NTBG Tropical Ethnobotany Graduate Course.
- 1994-1997 Lectures and field trips on native plant conservation, ethnobotany, and breadfruit for NTBG Interpreter/Volunteer Training courses.

GRADUATE STUDENTS

- 2008-Present Max Jones (PhD dissertation committee, UBC)
- 1991-1993 Nyree Zerega (PhD dissertation committee, NYU), Eileen Herring, Cynthia Nazario (MS thesis committee, U. Hawaii), Colleen Carroll (MS thesis committee, Goddard).

SYMPOSIA AND CONFERENCES ORGANIZED

- 2007 First International Symposium on Breadfruit Research & Development, with Mary Taylor. April 16-19, Nadi, Fiji.

INVITED SEMINARS/WORKSHOPS/PRESENTATIONS

- 2008 Breadfruit: Exploring the global potential of a traditional Pacific crop for food security, agroforestry and sustainable agriculture. Tropical Biodiversity and Food Security. Botany 2008, Vancouver, B.C.
- 2007 Breadfruit: diversity, conservation and potential. Keynote Address at the First International Symposium on Breadfruit Research and Development. Nadi, Fiji.
- 2006 Promoting the conservation and sustainable use of breadfruit in the tropics. Society for Economic Botany Annual Meeting. Chiang Mai, Thailand.
- 2006 In situ conservation of breadfruit in the Pacific Islands: case studies in Samoa and Kiribati. Society for Economic Botany Annual Meeting. Chiang Mai, Thailand.
- 2006 Conserving traditional varieties of economic plants. Trees for Improving Profitability, Sustainability, and Resource Conservation on Farms and Ranches Workshop. Hagatna, Guam.
- 2006 Direct marketing and value-added strategies for agroforestry. Trees for Improving Profitability, Sustainability, and Resource Conservation on Farms and Ranches Workshop. Koror, Palau.
- 2006 Biodiversity in traditional Pacific island agriculture. Trees for Improving Profitability, Sustainability, and Resource Conservation on Farms and Ranches Workshops, Kona, Hawaii, Koror, Palau, and Hagatna, Guam.
- 2004 Nutritional composition and fruit quality of 20 elite breadfruit cultivars. 9th International Congress for Ethnobiology. Canterbury, England.
- 2003 Seasonality studies and evaluation of breadfruit germplasm. Society for Economic Botany Annual Meeting. Tucson, Arizona.
- 2002 Botanical and ethnobotanical inventory of the National Park of American Samoa. Society for Economic Botany Annual Meeting. Bronx, New York.
- 2001 Using traditional knowledge to conserve breadfruit diversity in the Pacific Islands. Society for Conservation Biology Annual Meeting. Hilo, Hawaii.
- 2001 Using traditional knowledge to conserve breadfruit diversity in Samoa. Building Bridges with Traditional Knowledge II, An International Summit Meeting on Issues Involving Indigenous Peoples, Conservation, Sustainable Development and Ethnoscience. Honolulu, Hawaii.

- 2001 Conservation status and traditional uses of breadfruit in the Pacific Islands and Indo-Malay region. Building Bridges with Traditional Knowledge II, An International Summit Meeting on Issues Involving Indigenous Peoples, Conservation, Sustainable Development and Ethnoscience. Honolulu, Hawaii.
- 2000 Breadfruit storage and preparation in the Pacific Islands. Vegeculture in Asia and Oceania Symposium, National Museum of Ethnology, Japan.
- 1999 Genetic diversity and conservation of *Artocarpus*, breadfruit. XVI International Botanical Congress. St. Louis, Missouri.
- 1997 Reinventing traditional house building. Society for Economic Botany Annual Meeting, St. Louis, Missouri.
- 1996 Landscaping with native Hawaiian tree species. Western Chapter International Society of Arboriculture, Honolulu, Hawaii.
- 1996 Breadfruit germplasm in the Pacific Islands. CARDI/IICA Workshop on Marketability of Minor Fruits, Trinidad.
- 1994 Description of Pacific island breadfruit cultivars. II International Symposium on Cultivated Plant Taxonomy. Seattle, Washington.
- 1993 The role of ethnobotanists in conserving germplasm. Ethnobotany and Conservation Symposium, AABGA. Orlando, Florida.
- 1993 Conserving germplasm: the role of ethnobotanists. Society for Economic Botany Annual Meeting, Miami, Florida.
- 1992 Origin and distribution of breadfruit in Polynesia. Islands, Plants, and Polynesians Symposium, Society for Economic Botany Annual Meeting. Honolulu, Hawaii.
- 1991 Saving Hawaii's endangered flora. XVII Pacific Science Congress. Honolulu, Hawaii.
- 1991 Preserving Hawaii's unique flora. AABGA Annual Meeting, Seattle, Washington.
- 1990 Isozyme variation in Pacific island cultivars of breadfruit. American Society of Horticultural Science Annual Meeting. Tucson, Arizona.
- 1990 Tropical conservation: are we too temperate? AABGA Annual Meeting, Minneapolis, Minnesota.
- 1989 Collection and evaluation of breadfruit germplasm in the Pacific Islands. Society for Economic Botany Annual Meeting, Knoxville, Tennessee.
- 1988 Ethnobotany of breadfruit in Polynesia. Plants and Man in Polynesia Symposium, Laie, Hawaii.
- 1988 Conservation and use of breadfruit in the Pacific. International Workshop on Ethnobotany, Christchurch, New Zealand.
- 1988 Collection and conservation of breadfruit in the Pacific Islands [poster]. XIII Beltsville Symposium on Biotic Diversity and Germplasm Preservation - Global Imperatives. Beltsville, Maryland.

#### DOCTORAL DISSERTATION

Collection, Establishment and Evaluation of a Germplasm Collection of Pacific Island Breadfruit.  
Richard M. Manshardt, Advisor, Department of Horticulture, University of Hawaii, Honolulu, 1991.
