Start your journey together...

...by saying yes to paradise.

Choosing the island of Kaua'i for your wedding destination is the perfect way to start planning your special day. Kaua'i truly is an island of love and the National Tropical Botanical Garden (NTBG) offers two of the most unique wedding venues in the world.

Start your journey together in a lush tropical paradise where romance and beauty are as abundant as the tropical blooms and vibrant colors that surround you.

The South Shore Visitors Center and McBryde Garden in Po'ipu offer wedding ceremony and reception sites for everything you are looking for in a Garden Island destination.

From dramatic ocean views to stunning waterfalls and magnificent valleys NTBG offers stunning sites for extraordinary events.

As a nonprofit conservation organization, hosting your event at NTBG also means your big day supports critical plant conservation efforts and protects more than 2,000 acres of public gardens, preserves, and historic sites throughout the Hawaiian islands.

It would be an honor to provide the beautiful background for the first day of the rest of your life.

I look forward to connecting with you and sharing the beauty of NTBG with you on your wedding day.
