The National Tropical Botanical Garden is seeking an experienced and motivated individual to join our team as a full-time temporary Facilities Technician at our Limahuli Garden. This position is funded through a CARES Act Grant for full time, temporary hires (through the November 2020).

This position assists with the upkeep, maintenance and repair of the complex. Candidates must proficient in landscape irrigation repair, installation, and equipment operation as well as possess a variety of abilities including a combination of some of the following: carpentry, electrical, plumbing, welding, locksmith, and janitorial skills. May be asked to operate heavy equipment and assist with other projects as well.

Requires the demonstrated ability to work safely and efficiently with minimum supervision. Experience using a variety of equipment, including hand held power tools and heavy equipment. Candidates must have a valid driver’s license and a good driving record. Position will be required to work in a variety of conditions, including outdoors with variable weather conditions. The successful candidate must be physically capable of performing the sometimes physically demanding essential functions of the position.

Start Date: August 3, 2020
End Date: November 30, 2020 (subject to change)
Pay: DOE

** Eligibility restrictions apply based on funding source.
