JOB POSTING

The National Tropical Botanical Garden has an immediate opening for a full-time McBryde Garden Foreperson. This position is funded through a CARES Act Grant for a full time, temporary hire (through the November 2020).

This is a working supervisory position. The ideal candidate will have at least 4 years experience with landscaping/invasive species control, minimum 1 year of supervisory experience and the ability to identify and remove invasive weed species in a landscape setting. Must have experience using small engine power tools (weed wacker, chainsaw, hedger etc) and herbicides. Must be able to communicate clearly, be highly responsible and organized. This position entails frequent exposure to the elements, noise, and chemicals. Requires frequent standing, walking and lifting up to 50 lbs.

A High School diploma is required. Certified Landscape Technician, ISA Certified Arborist and/or Certified Pesticide Applicator preferred.

Start Date: August 3, 2020
End Date: November 30, 2020 (subject to change)
Pay: DOE
Interviews will be held week of July 20th.

**One or more of positions hired under the CARES grant may be hired in a full time regular status, depending on available openings, after the CARES grant November end date.

** Eligibility restrictions apply based on funding source.
