National Tropical Botanical Garden
Gardener- McBryde Garden

JOB POSTING

We are now accepting applications for four full-time Gardeners based at the McBryde Garden, in the Lawai Valley. These positions are funded through a CARES Act Grant for full time, temporary hires (through the November 2020).

This position requires the skills and/or ability to learn the skills practices, and procedures of landscape management and maintenance. Ideal candidates will have experience in landscape maintenance and or invasive species control. Must be able and willing to safely operate small engine equipment (weed wacker, chainsaw), use herbicides and work in uneven terrain. Qualified applicant will have a strong desire to care for plants and plant collections in a world class botanical garden setting, the desire to learn new horticultural skills and have good teamwork skills. This position entails frequent exposure to the elements, noise, and chemicals. Requires frequent standing, walking and lifting up to 50 lbs.

Number of Positions Open: 4

Start Date: August 3, 2020
End Date: November 30, 2020 (subject to change)
Pay: DOE

Interviews will be held week of July 20th.

**One or more of positions hired under the CARES grant may be hired in a full time regular status, depending on available openings, after the CARES grant November end date.

**Eligibility restrictions apply based on funding source.
