National Tropical Botanical Garden
Facilities Technician- McBryde Garden

JOB POSTING

The National Tropical Botanical Garden is seeking an experienced and motivated individual to join our team as a full-time temporary Facilities Technician at our South Shore Gardens (Allerton and McBryde). This position is funded through a CARES Act Grant for full time, temporary hires (through the November 2020).

This position is responsible for the upkeep, maintenance and repair of the trail and road systems. Candidates must be proficient in equipment operation using a Skid Steer Loader, Wheel Loader, and Excavator and have knowledge and experience with grading and drainage as well as possess a variety of abilities including some of the following: Using power tools such as chainsaws, jackhammers, power washers and hand tools such as saws, machetes, shovels, picks, and rakes.

Requires the demonstrated ability to work safely and efficiently with minimum supervision. Candidates must have a valid driver’s license and a good driving record and be able to obtain a CDL. Position will be required to work in a variety of conditions, including outdoors with variable weather conditions. The successful candidate must be physically capable of performing the sometimes physically demanding essential functions of the position.

Start Date: August 3, 2020
End Date: November 30, 2020 (subject to change)
Pay: DOE

** Eligibility restrictions apply based on funding source.
