Day Trip to Kōke'e State Park with lunch

Join us for an optional excursion to Kōke'e State Park, a vital hub for our mission-focused work preventing plant extinction. Highlights of the day will include a hands-on rare plant walk with Science and Conservation staff, lunch at Kōke'e Lodge, and a private, behind-the-scenes tour of the Kōke'e Mid-Elevation Nursery (KMEN). KMEN is closed to the public and managed by our longtime State of Hawai'i partner, the Division of Forestry and Wildlife (DOFAW). This facility sits at 4,080 ft. and plants often transition from our NTBG conservation nursery to KMEN for acclimation before being restored into high elevation sites in the wild.

5:00 p.m.

Departure to Grand Hyatt Kaua'i (*estimated arrival to hotel 6:30 p.m.*)

Dinner on own
